PURPOSE

The primary purpose of the use of all buildings and grounds owned, leased or operated by Florida are

- 5. The College shall not allow the use of College facilities or events which might have the potential to be disruptive, confrontational or which might incite violence. Additionally, the College shall not allow a use or event which has the potential of bringing protestors onto the College campus to disrupt the event because they might be opposed to said event. The determination of whether the use or event might have such potential shall be in the sole discretion of the College.
- 6. Any use of College facilities must:
 - a. Not impede in any way student education, academic activities, scheduled College events, College functions, residences or the faculty/staff work environment;
 - b. Be safe for participants and the College community and not generate any security issues; and
 - C.
- The College shall not allow the use of College facilities or events which might tend to reflect in the community or which Judeo-Christian principles on which the College was founded.
- 8. No individual or organization shall be allowed to use College facilities in a manner which might be detrimental to College operations, or which endangers life or College property, or in the sole opinion of the College, is ethically or morally inappropriate.
- 9. Depending on the nature of the use or event, the College shall have the right to request evidence of general liability or other insurance at a level deemed necessary by the College.
- 10. The allowed one time or multiple use by an organization shall not establish any right for a subsequent use by that organization, a similar organization or a competing organization.
- 11. The College shall at all times have the right to restrict any individual or organization, even if approved for use or an event, from displaying signs or banners on College property which in the sole determination of the College, would be inappropriate.

12.
